

## ADDENDUM #1

### RFA-2022-BDAS-03-STUDE Student Assistance Programs

On April 28, 2021, the New Hampshire Department of Health and Human Services published a Request for Applications, soliciting for applications for the implementation of Student Assistance Programs (SAPs) in schools that do not currently have a Student Assistance Program in order to address underage and/or high risk drinking and drug misuse and abuse, statewide.

The Department is publishing this addendum to:

**1. Modify Section 1, Request for Services, Subsection 1.3, Scope of Services, Paragraph 1.3.2, Subparagraph 1.3.2.11, to read:**

1.3.2.11. Maintaining dedicated staff who are Certified Prevention Specialists, or who will obtain certification as a Prevention Specialist within one year. The selected Applicants must ensure staffing includes, but is not limited to:

- 1.3.2.11.1. One full-time equivalent (over 37.5 hours per week) staff person to every one thousand (1,000) students; or
- 1.3.2.11.2. For schools serving 600-1,000 students, the staff person must be available for a minimum of two days (at 7.5 hours per day) per week.
- 1.3.2.11.3. For schools servicing fewer than six hundred (600) students, the staff person must be available a minimum of one half day (3.75 hours per day) per week.
